

Annual Plant & Bake Sale

Every May we have a Plant & Bake Sale. It is our biggest fund raising event. Most members participate by donating plants, baking, and garden stuff helping to organize and promote the event and/or volunteering for the day.

It is fun and provides the funds for our trips.

A Warm Welcome to our Club

Club Activities

Club Activities

Thank you for attending our meeting today. We hope your attendance today encourages you to join our club. For an annual fee of \$25 you will get an mug (to bring to the meeting for coffee) plus a discount at selected garden centers as well as the ability to take part in a host of club activities as mentioned in our brochure. You can contact any member for more information.

Community Involvement

The White Rock & District Garden Club was formed in 1947 as a Horticultural Society and is still thriving in its 76th year.

Over the years, the Club has made charitable donations to many local charities in South Surrey and White Rock.

Newsletter

Our Newsletter is published monthly and is designed to keep members informed of our activities as well as provide educational information on timely garden related topics.

Check our social media sites:

Meetings

**2:00 pm second Tuesday of each month
September through June
Cranley Hall 2141 Cranley Drive, Surrey**

The doors open at 1:00 pm to allow for a social time prior to a short business meeting, followed by tea/coffee & goodies break. After the break, we will have either a guest speaker or a garden show.

Knowledgeable speakers give presentations on various horticultural topics including floral design. At Christmas we have a party. Each meeting you can also win a plant selected by one of our members in our Name Tag Draw. Our resident **Master Gardener** is usually at the meetings providing a wealth of information.

Garden Stuff is also a feature of our meetings with sales of plants and related items. Seeds, vases, jewelry, magazines, etc. are donated by club members. Your participation (both for donations and purchases) is welcome.

Garden Shows and Floral Classes

Garden shows (called Parlour shows) allow members to show what they grow and most are judged. Members enter flowers, fruits and vegetables from their gardens plus floral art arrangements.

The Club offers floral classes and encourages members to contribute to various floral design displays and competitions throughout the year.

Garden Tours

Our Program Directors arrange a number of outings during the year, especially in July and August to view public gardens such as Darts Hill and The Glades, nurseries or other facilities as well as tours of member gardens. Bus tours are also organized by the Club to locations in Vancouver and other areas.
