

White Rock & District Garden Club Covid-19 Plans

During the Covid-19 epidemic many of the regularly scheduled meetings and activities described on this website have been cancelled; however we have been planning activities and ways to keep in touch, learn and enjoy each other's gardens and company. In accordance with the Provincial Covid-19 guidelines, plans will change from time to time. Please contact us at members@whiterockgardenclub.ca to inquire about specific activities.

As of September 2021 we are once again meeting in person at the Cranley Hall on the second Tuesday of the month from 2 pm to 4 pm. In accordance with the Provincial Covid-19 guidelines requirement for BC Vaccine certificate and photo ID, social distancing, mask wearing, etc. will be observed. We will also have a Zoom connection during the meeting that can be viewed live or by recording. A zoom invitation will be emailed to members prior to every meeting.
